Spalding University Status

Pre-Requisites Completed

Please Indicate the courses which meet program prerequisites. The Auerbach School of Occupational Therapy will make the final determination regarding courses satisfying requirements. All of the prerequisite courses MUST be completed prior to beginning the Occupational Therapy Program. Undergraduate students must complete all university study courses and pre-requisites prior to beginning the OT program. All applicants must have completed at least 9 of the 13 required pre-requisite course at the time of application. Applicants with remaining pre-requisite courses and/or university study courses (undergraduates) must be registered for the remaining courses at the time of application, or have a plan of action to complete them prior to beginning the Occupational Therapy Program. NOTE: If you have not completed a prerequisite, please put N/A in each question box for that course.
